"Air"

SOUND TRAVELS FOUR TIMES AS FAST IN WATER AS IT DOES IN AIR!

THE AIR IS NOT COOLED BY A FAN AS IS COMMONLY BELIEVED. THIS CAN BE PROVED BY HOLDING A THERMOMETER IN THE AIR CURRENTS PRODUCED, HOWEVER THE FAN DOES COOL THE SKIN BY INCREASING EVAPORATION OF PERSPIRATION!

A PERSON TAKES A BREATH ABOUT 20,000 TIMES A DAY!

THE AIR IN A FOREST IS MORE FREE FROM BACTERIA THAN AIR ON THE OUTSIDE, BECAUSE THE FOLIAGE ACTS AS A KIND OF FILTER!

SAY IT WITH MUSIC

"SHE'S MY girl friend!" Crawford Crow said.

"She is not!" replied Fauntleroy Fox angrily. "She's MY girl friend!"

'I am NOT!" interrupted Cutie Kitten, who was very pretty and always curious. "*Neither* of you is my boy friend!"

"Why not?" they both asked at once.

"Because," she answered with a coy smile, "neither of you has ever done anything I've wanted you to do!"

"Whatcha want today?" asked Crow.

"I'll be glad to do it for you!" said Fox.

"Me too!" said Crawford.

"Okay then, you can BOTH be my boy friends," Cutie said, "if you'll team up and find out WHO IT IS that Scary Snake hides in his attic!"

"Ya mean da mysterious person Scary calls T. N.?" said Crow. "Why, ev'rybuddy knows dat Scary Snake hides his crazy old *cousin* in de attic and calls him T. N., cuz he's ashamed ta call him by his full name—TERRIBLY NUTS!"

"But nobody really *knows* that's true!" said Kitten. "They only *think* so, 'cause no one's ever proved *otherwise!*"

"Aw shucks, Cutie," said Fauntleroy Fox. "It'd be silly for us to *risk our lives* just to find out. . . ."

"Yeah! Why don'tcha fergit about it, Cutie!" said Crow.

"Okay boys!" Kitten pouted, walking away, "I'll forget about it . . . and I'll *also* forget about *you!*"

"Aw Cutie . . ." sighed Crawford, weakening.

"Aw shucks, Cutie!" Fauntleroy said, gazing into her pretty little face. "We'll *do* it! *Just for you!*"

"Darling! Thank you!" Kitten mewed happily, and hugged them both at once!

Later that day Foxie and Crow completed their plans. It was decided that Crow would invade Scary Snake's mansion by pretending that he was a *piano-tuner*. Fox would stay outside and enter through a back window when he heard Crow play a tune on the piano.

"If ya hear me play *Rock-a-bye Baby,*" Crawford explained, "you'll know dat it's safe ta sneak inta de windah 'n go in soich for T. N. in da attic! BUT . . . if ya hear me play

London Bridge is Fallin' Down, you'll know dat I've investigated and decided dat it'd be *much too dangerous* ta find out about T. N. So, in dat case, stay outside and wait for me!"

"Okay," Fauntleroy nodded his head, "I understand."

That night, Foxie and Crow crept through the moonlight up to SCARY MANSION! Cautiously Crow knocked on the door! Then, when ugly, evil-eyed Scary Snake opened it, Crow said, "*Hello!* I've come ta tune vuh're piano!"

"I don't want no piano-tuner!" sneered Snake.

"B-but," stuttered Crawford as if he were very confused, "I jus' got a call ta come and tune de piano at 13 Horror Lane. Ain't dat dis address?"

"*No it ain't*," hissed Scary Snake. "that's next door! But . . . I *hate* my neighbor . . . and if their piano's outa tune, I want it to *stay* outa tune! So, since you're here anyway, c'mon in and tune mine instead. It's been covered with dust for twenty years so I suppose it does need tuning!"

Indoors, Crow couldn't discover anything, until suddenly Snake said, "If you hear any noise comin' from upstairs, don't let it bother you. T. N.'s just makin' more noise than *usual* tonight!"

"Jeepers," thought Crow, "T. N.'s probably bangin' his head against de wall and tearin' down de *chandelier!* I'd better warn Foxie not ta go up ta de attic after all! He'd get *torn ta pieces!*"

But just as Crow was about to play London Bridge is Falling Down on the piano to warn Foxie, he glanced out the window. What he saw made him *red-faced with anger!* There was Cutie Kitten, keeping Fauntleroy company and tickling the blushing Fox with her big pink bow! Crow's jealousy exploded inside him! He changed his mind about warning Foxie of danger, and instead banged out *Rock-a-bye Baby* as loud as he could! Then Crow grinned as he imagined Fauntleroy creeping up the attic steps of Scary Mansion straight into DANGER!

Crawford called on Cutie Kitten the next day, and smilingly said, "I don't t'ink we'll be seein' much of my friend Foxie anymore, Cutie, so how's about youse and me bein' boy friend and girl friend?"

"Oh I'm sorry," said Kitten sweetly, "but I have a boy friend and I'm going steady with him!"

"YEAH!" yelped a voice, and up popped Fauntleroy Fox from a cozy sofa. "And she means ME!"

"B-but F-Foxie," said Crow, "y-ya don't even look *b-bruised!*"

"No, I feel fine!" said Fauntleroy. "But T. N. doesn't! He had a *bad cold* in his *noses*. That's his name—*Two Noses!* He's Scary Snake's cousin, but Scary keeps him hidden in the attic 'cause he's afraid T. N.'s *loud sneezing* will scare people!"

Just then Kitten gave Fox a big *hug!*

"But Cutie," wailed Crow, "don't *I* git any credit?"

Kitten didn't answer him. She was too busy tickling Fauntleroy Fox with her big pink bow!

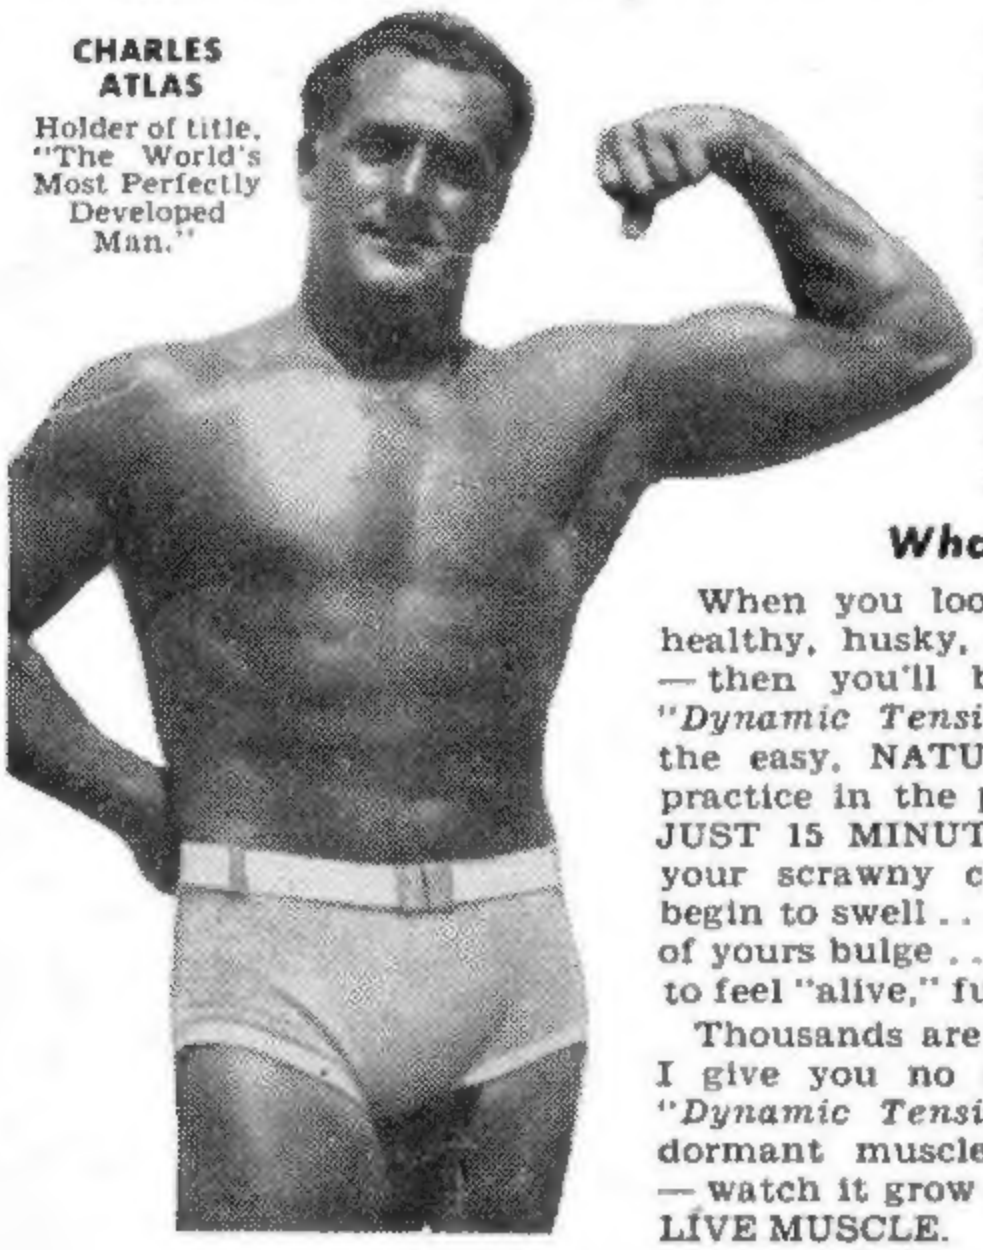
I Can Make YOU a New Man, Too, In Only 15 Minutes a Day!

CHARLES ATLAS
Holder of title, "The World's Most Perfectly Developed Man."



PEOPLE used to laugh at my skinny 97-pound body. I was ashamed to strip for sports or for a swim. Girls made fun of me behind my back. THEN I discovered my body-building system, *"Dynamic Tension."* It made me such a *complete* specimen of manhood that I hold the title, "The World's Most Perfectly Developed Man."

What's My Secret?

When you look in the mirror and see a healthy, husky, fellow smiling back at you — then you'll be astonished at how fast *"Dynamic Tension"* GETS RESULTS! It is the easy, NATURAL method and you can practice in the privacy of your own room — JUST 15 MINUTES EACH DAY. Just watch your scrawny chest and shoulder muscles begin to swell . . . those spindly arms and legs of yours bulge . . . and your whole body starts to feel "alive," full of zip and go!

Thousands are becoming husky — my way. I give you no gadgets to fool with. With *"Dynamic Tension"* you simply utilize the dormant muscle-power in your own body — watch it grow and multiply into real, solid LIVE MUSCLE.
